

Jesse Hernandez

Full-Stack Developer | (510) 932-3303 | jessemhernandez123@gmail.com | SF Bay Area | [LinkedIn](#)

Professional Summary

Innovative Full-Stack Developer with expertise in **JavaScript, Python, React (Native), and Django**, specializing in building scalable, user-friendly applications. Successfully led the development and launch of **Cycles**, a social music mobile app, integrating **Spotify API, AWS, and Firebase** to enhance user experience. Proficient in both frontend and backend development, with experience in **PostgreSQL, Git, and cloud deployment**. Passionate about leveraging technology to create innovative solutions.

Skills

- Javascript | Python | React (Native) | Django
 - AWS | Firebase | PostgreSQL | Git | Adobe
 - Frontend | Backend | Full-Stack | English, Spanish - All professional proficiency
-

Experience

Social Music Mobile App (Full-Stack) | (Python, Js, Django, React Native) | ([Cycles](#)) | 2023-2025

- Lead the development and successful launch of an iOS social playlist discovery/sharing platform, revolutionizing the way users connect and share their Spotify playlists.
- Successfully drove user acquisition and onboarding, resulting in a consistent influx of 150 daily active users.
- Established strong partnerships with Spotify API, Google Cloud Platform, and Firebase, optimizing integration and enhancing the user experience.
- Utilized PostgreSQL for robust database management, and GitHub/Git for version control and successfully deployed the app on Heroku, ensuring reliable and scalable server performance.

Landing Website (Full-Stack) | (Javascript, React.js, Node.js) | ([Cycles Studios](#)) | 2024

- Created a responsive and visually stunning landing page to showcase the social music app
 - Implemented a mailing list functionality to capture and engage potential users, increasing app visibility and user acquisition.
-

Education & Training

Year Up United - Certificate | 2025

An intensive, hands-on training program focused on mobile app development, software engineering fundamentals, and professional skills.
